📍 Ayla Grand Hotel, Al Ain, Abu Dhabi, UAE

Understanding Type 2 Inflammation in Eosinophilic Esophagitis

Target Audience

- Gastroenterologists
- Internal Medicine
- General Practitioner

Dr. Mazen Taha

Chairman
Senior Consultant in Gastroenterology,
Tawam Hospital, Al Ain, UAE

Learning Objectives

- Recognize the immunopathology, clinical features, and diagnostic criteria of Eosinophilic Esophagitis (EoE) within the context of Type 2 inflammation.
- Apply updated, evidence-based guidelines to develop personalized treatment strategies, including the appropriate use of targeted therapies and biologics.
- Enhance interdisciplinary collaboration to optimize the diagnosis, treatment, and long-term management of patients with chronic allergic and immunologic conditions related to EoE.
